

A Model Curriculum for Pennsylvania School Library Programs Long-Term Transfer Goals

(Long-Term Transfer Goals highlight the effective use understanding, knowledge and skill that we seek in the long run; i.e., what we want students to be able to do when they confront new challenges—both in and outside of school)

Students will be able to independently use their learning to:

- 1. Read and evaluate text in all formats for learning, personal and aesthetic growth and enjoyment.**
- 2. Research, analyze, synthesize and evaluate information as critical consumers to draw conclusions and make informed decisions.**
- 3. Create, apply and share knowledge effectively using a variety of media formats in an ethical manner to communicate a coherent message.**
